Imagine spending eternity with your backside hanging out – that’s what Emma Whitecastle and Granny Apples can’t help but think when they meet the ghost of Tessa North frolicking in the surf off Catalina Island. Tessa, a young starlet who died on the island in the 1960s wearing nothing but a polka dot bikini, won’t cross over until Curtis comes for her. To help the winsome bikini-clad spirit, Emma and Granny must find out who Curtis is and how Tessa died. Their investigation takes them from the grit and glamor of Hollywood to Kennedy-era political intrigue – before hitting dangerously close to home.
