**A NEW SERIES DEBUT FROM ODELIA GREY MYSTERY
 AUTHOR SUE ANN JAFFARIAN**

If you like the hilarious adventures of Odelia Grey (pages 19 – 20), then you'll love Sue Ann Jaffarian's spirited new mystery series, Ghost of Granny Apples. Along with a sprinkling of history, these mysteries feature the amateur sleuth team of modern-day divorced mom Emma Whitecastle and the spirit of her pie-baking great-great-great-grandmother, Granny Apples.

Granny was notorious for her award-winning apple pies – and for murdering her husband in the orchard. The only trouble is, Granny didn't kill her husband. She was framed, then murdered. For more than a hundred years, Granny's spirit has been searching for someone to help her see that justice is served.

Together, Emma and Granny Apples solve mysteries of the past – starting with Granny's own unjust murder rap in the final days of the California Gold Rush.
